

Gymboree Birthday Parties

The starting cost is £225 for members, £275 for non-members. If you are not a member at the time of the party booking but sign up before the day of the party we will apply the discounted member's party fee.

A Gymboree birthday party is a non-stop celebration of fun for you and your child. Our custom-designed parties include:

- **The exclusive use of the Gymboree play floor and equipment** guaranteeing you and your guests a very personal event.
- One hour of your child's favourite party games and Gymboree activities lead by a dedicated Gymboree teacher. The parties can be themed which basically means that you choose with the teacher which particular theme your little one would enjoy most. Options include Ocean Adventure, Farmyard Fun, Jungle Safari, Dinosaur Adventure, Princesses and Princes, but we'll be happy to explore other options for your little one.
- Name stickers for the birthday child and all party guests
- 30 minutes (or more if you choose!) to enjoy any cake or refreshments you would like to bring and serve to your guests.

ART PARTIES

For the little ones who love a creative activity and cannot get enough of paints, glue and glitter we can arrange a very special and original **Gymboree Art Party**. The main activity lead by one of our Art teachers would be carried out in the Art and Music room. If you still wanted to give the children some time on the play floor you could book this option too. Access to the play floor would be given at the beginning of the party when your guests arrive and before the art activity. Please ask us for further information.

NUMBER OF CHILDREN

For one teacher, we put a limit on 14 children (10 for an Art party) to ensure a quality experience. If more than 14 children (10 for Art) will attend at any time we will plan for an additional teacher/supervisor for an extra £50. For every child above our capacity of 20 there will be a £5 charge. Our absolute maximum is 25 children.

PARTY DURATION

We are quite flexible if you wanted to extend the party time, it would be an additional £50/half an hour, calculated until the time the last of your guests leave the premises- anything over 15 minutes counts as the additional half hour. Just to be clear, the teacher-led activities would remain at one hour in duration as we do not believe that young children have an attention span for anything more than this.

ADDITIONAL ITEMS, INCLUDING FOOD

The price quoted at the top does not include tablecloths, plates/cutlery, balloons, decorations, food etc. We have a great contact called Nes up at Little Highness Play Cafe who our customers have used regarding catering and cake options!
